Dear Ms. Sakashita,

I wanted to let you know that today EPA took a Partial Approval/Partial Disapproval action on Oregon's 2012 303(d) Impaired Waters List. We are seeking public comment on our proposed additions to their 303(d) list. We are also seeking data, information and public comments regarding potential aquatic life impairments due to ocean acidification. Please see Enclosure 2 of our decision documents for the specific details of this request. All of our documents can be found at:

Please submit any comments by February 6, 2017. Submission instructions are in Enclosure 2.

Thank you for your continued interest in Region 10 waters.
